

Brains, and beauty

Intelligent, stylish access control with WiFi

It's love at first sight with the IN120 WiFi lock from ASSA ABLOY Group brands CORBIN RUSSWIN and SARGENT. Facility managers are fans of how it reduces installation time and lets them add access control at a fraction of the cost. Architects like having a variety of finishes and levers to match any environment seamlessly. IT executives appreciate its compatibility with existing and evolving WiFi systems and standards. Looking to settle down with a security solution? The INtelligent, INnovative and INspiring IN120 could be The One.
